

TSSR Outcross Contract/Application

Name: _____ Phone _____

Address: _____

Date you would like to do this breeding (allow at least 2 months) _____

Full pedigree name of outcross stud/bitch _____
(Attach the required criteria set forth by the outcross program.)

Full pedigree name of Shiloh bitch/stud _____
(Attach TSSR pedigree, pictures and documentation of all the criteria set forth by the outcross program.)

Please attach an honest evaluation of both the Shiloh and the outcross against the TSSR breed standard. Please make note of ALL faults and virtues of each. (Faults do not necessarily mean your dog will not be accepted. It is the only way any pups resulting from this breeding can honestly be evaluated as to where any faults may have come from.) An honest report of the health of each dog, and ALL health related issues of the dogs to be bred and their littermates. (Any littermate health issues do not necessarily mean your dog will not be chosen. This information is critical in determining the source of any potential health issues that may arise and the success or failure of the new outcross.)

The following (7) questions should be done on a separate cover. Please be honest and detailed so the Breeders Coalition can fully review and consider your application.

- 1.) Why do you want to do this breeding?
- 2.) Why have you chosen this particular pair?
- 3.) What are your expectations for this litter?
- 4.) What Shiloh faults do you hope to correct?
- 5.) What faults may you produce?

6.) What are your plans on the placement of the puppies?

7.) If allowed to go forward, what are your plans for breeding the next generation, and to whom?

Have you fully read and understand the outcross program?_____

Do you realize that each and every puppy resulting from this litter is subject to review by the TSSR?_____

Do you realize that it is possible that some, or all of these puppies may be rejected for further breeding? _____

Do you realize that these puppies will NOT carry full TSSR registration papers, but will be registered subject to the rules of the outcross program?_____

Do you realize you that when you sell these OTX puppies that their registration should be kept with the TSSR (part of the sale contract) so that LMI/LMX can be tracked?_____

By signing this agreement you agree to fully abide by the rules and terms of TSSR outcross program. Any failure to comply with all rules and terms of the OTX program may result in loss of TSSR registration on these puppies.
