New Litter Checklist  
Litter Registration Application  
Litter Placement Form  
Litter Health Report

## NEW LITTER CHECKLIST

Congratulations on your new Litter. We hope this checklist will help make your paperwork processing run smoothly...

- LITTER REGISTRATION APPLICATION
  - begin filling out your application now, so when you're ready to submit most of it is done already
  - Litter Registration Application can be completed easily online at [www.papers.tssr.info/litter-registration](http://www.papers.tssr.info/litter-registration) at any time after birth, updates can be submitted as needed
  
- TAKE FIRST PICTURES
  - 2 copies of mother with her puppies before 10 days of age
  - email to Registry Office ([tssrinfo@gmail.com](mailto:tssrinfo@gmail.com)) to be added to your litter registration file
  
- TAKE UPDATED LITTER PICTURES
  - 2 copies each of entire litter between 6-8 weeks of age
  
- LITTER HEALTH REPORT
  - take with you to puppies' health check visit and remember to have it signed by the veterinarian [[PDF](#)]
  - upon completion, scan as PDF and email to registry office (be sure to note year of birth, sire/dam in the subject line); it will be added to your registry litter file
  
- LITTER PLACEMENT REPORT
  - fill out as much of this form after litter is born, that way only small details are needed before submission
  - complete ownership information when puppies go to their new families
  - form can be submitted online at [www.papers.tssr.info/litter-registration/](http://www.papers.tssr.info/litter-registration/)
  - form can optionally be scanned as PDF and emailed to registry office (be sure to note year of birth, sire/dam in subject line); it will be added to your registry litter file
  
- BLUE PAPERS
  - upon receipt of all information, registry office will issue Temporary Registration Application (Blue Papers) for each puppy
  - Blue Papers will emailed to owners, with a copy to you, breeder of record, for your records

## INSTRUCTIONS

1. Please print clearly in ink or type (use capital letters only). No white out or crossed out letters. All information must be in appropriate boxes or on appropriate lines.
2. If this dog is Championed Titled write CH on the line in front of blocks for name. Fill in full name of Sire and Dam as it appears on the Registration Certificate. If this dog has other titles (for example UD, CD, CDX, etc.) write the letters representing that title on the blocks after the dog's name.
3. Fill in the Registration Number of the Sire and Dam as it appears on the Registration Certificate. Fill in DNA number of the Sire and Dam.
4. Fill in the City and State where the birth took place. Fill in Date of Birth, using numbers for example Jan. 1, 1998 would read 01 01 98 and Dec. 31, 2001 would read 12 31 01).
5. Write in the total number of Males and Females born in the appropriate boxes, then the total number of puppies applying for papers. Males are in the left side column, females in the right side column.
6. Include 2 pictures of the entire litter with the dam (taken within 30 days of birth), as well as at least 2 pictures of the entire litter taken between the 40-70 day age limit. *Please Note: The Registry reserves the right to return any pictures that fail to clearly identify any specific dog and request that the owner resubmit a better copy.*
7. Write the color that best describes the color of each individual puppy.
8. Coat, write P for plush or S for smooth. This usually can be determined between 4-6 weeks of age.
9. Write a short description of each individual puppy ("white tips on toes", "almost black", "very light", "white chest").
10. At the bottom of the description section, please record any deaths that occurred and reason ("still birth", "fading puppy", "accidental").
11. Owner of Sire Section must be filled out by owner (name, address, and phone number as it appears on Registration Certificate).
12. List dates breeding took place or duration of days dogs were together, use numbers.
13. Sign on appropriate lines.
14. Co-Owner of Sire must fill out his or her section.
15. Owner of Dam must fill out his or her section.
16. Co-owner of Dam must fill out his or her section.
17. The following documentation must be on file with the Registry for the sire and the dam of this litter or submitted with this application - TSSR breedable registration papers, or in the case of a non-TSSR stud, a copy of his registration, as well as all TSSR required certifications for breeding papers. Without this documentation, this application will be returned. DNA on sire and dam needs to be on file or in process at time of application.
18. Litter Health Report completed by licensed Veterinarian between 49-60 days of age.
19. This application will be returned if there are any errors. This can result in a delay of certificates being issued and possible fines.
20. Mail completed form, with pictures and appropriate fees to:

The Shiloh Shepherd Registry  
98 Ridgeway Rd  
Birdsboro, PA 19508

### Fees:

- \$15.00 for application, plus \$3.00 per puppy  
*Hardcopy Blue Papers distributed to Breeder of Record via snail mail*
- \$15.00 flat fee  
*all documents distributed in PDF format via email*
